READERS' LIVES

We all know British girls are dirty, but who would have thought they were this mired in muckiness? If you think you can get even filthier, you could either see a shrink or send your letters to: The Editor, Swingmag, 3rd Floor, 207 Old St, London EC1V 9NR.

BONUS CHICK

Back in December I had a filthy encounter at my firm's Christmas do. The problem is, I haven't told my husband about it yet.

He is a regular Swing reader and has often tried to persuade me to send some photos in. He was delighted when I finally agreed.

I said I'd also send in a story and he was over the moon. I thought the ideal way to reveal the reason behind my increased sexual appetite would be through these pages.

As everyone merrily left work after the Christmas party, Charles, the firm's senior partner, called me into his office.

He told me though I'd been there only four months, I'd proved a delightful personal assistant. Then he looked my legs over and enquired, "Tights or stockings?"

Surprised, I smiled and told him stockings. He handed me a generous bonus cheque and hinted he wanted to see proof.

Contemplating a bit of harmless exhibitionism, I told him he could have a peek. He unbuttoned and opened my dress.

He confessed he fantasised about me working in only my lingerie and, trembling, I offered no resistance as he continued removing my dress.

He left me standing in black stockings, suspenders, G-string and stilettos. I began searching in bottom draws and climbing the bookcase ladder, playing out his fantasy.

Meanwhile my G-string had slowly disappeared between my wet lips. Intensely excited, I perched on his desk with my feet in the air.

An excited Charles peeled my panties off and placed his hands on my knees, which willingly parted to expose my moist pussy.

He lowered his head and I felt his hot breath on my mound before he gently

kissed my clitoris. His tongue probed and teased my lips and bud.

I removed his trousers and his hard cock sprang upright. Charles sat back in his large leather chair and I climbed on top of him. He kissed my erect nipples and fondled my bum.

I got his purple helmet in position, nuzzling my pussy. I suddenly realised I

was about to screw my boss and cheat on my husband and I hesitated with guilt.

Then a sensation of pure bliss engulfed me, leaving me breathless. Charles had thrust his hips forward and penetrated my pouting wet cunt.

Unable to resist, my hips sank. The feeling of his shaft gliding up inside me was awesome. Suddenly, as I rode his shaft, his intercom announced he had visitors.

I darted under his desk and he pulled his chair forward. In came his son James and another partner called Alistair.

They'd come to say it was time to go, but Charles told them he had a surprise to

show them. He then told them to dim the lights and close the door.

I crawled out from under the desk and took his prick in my mouth. My tongue caressed his rapidly expanding cock as my head bobbed up and down in his lap.

I climbed back on top of him and humped his stalk, desperate for relief. Then Alistair and James appeared naked on either side of me and I stroked their erections.

Charles tensed up and unloaded his balls onto my pussy, triggering an earth moving orgasm. With him spent, I climbed onto the table and spread my legs wide.

First James and then Alistair licked out my glistening slit. Then Alistair raised my ankles over his shoulders and drove his hard cock into my cunt.

At the same time, James offered me his long thick column and I began to suck him off. Alistair pounded his cock into me and I came almost immediately.

Then he stiffened as his cock ejected a huge jet of sperm which creamed all over my snatch. I continued to deep-throat James' magnificent tool.

Alistair resumed licking out my vacant pussy, maintaining my state of euphoria. I tickled James balls and that did the trick, wads of spunk erupting down my throat.

As James withdrew, Alistair stuck his hardening cock back in my mouth, and James took his place at my quivering beaver, bringing me off again and again.

I craved James' cock again and so I made him lie on the floor and I mounted his solid member. Charles kneeled over James' head and I reached forward to gobble his pole.

Alistair then began wetting my anus, squatting over my arse. He lubricated my arsehole well with his spit.

The pleasure of the cock in my mouth and my cunt was suddenly overwhelmed by the burning sensation of Alistair's boner violating my rear.

Powerless, I relaxed and permitted absolute penetration. Selfishly he reamed my arsehole, giving it a thorough fucking.

I desperately sucked on Charles' cock as I felt a massive orgasm building. I managed to delay it long enough to coincide with Charles suddenly filling my throat with sperm.

As my holes clamped during my orgasm, Alistair and James both shot their loads. They delivered their hot spunk in unison, filling my pussy and arse.

When he saw my bonus cheque the next day, my husband remarked, "Fucking hell, what did you do - give the boss a blow-job?"

Karen, Scotland.

REAL GENTS

He was loving it, rolling his eyes upwards and getting really turned on. I was already soaking wet and he hadn't even

touched me yet.

He slid his hand up my skirt and inched his middle finger into my panties and slipped it straight into my sopping cunt. I was horny beyond belief.

I didn't care about the bar staff and fellow drinkers, I just needed his lovely thick cock inside me urgently. He told me to come upstairs to the gents toilets in thirty seconds.

They were the longest thirty seconds of my life. He had seen there was no one there, grabbed me from the hallway outside and dragged me into the tiny grotty cubicle.

He forced his cock deep inside my mouth and mauled my tits, telling me how horny he was and how I was going to get the shag of my life.

He bent me over the toilet, hitched my skirt up and roughly pulled my stockings

and panties down. He fingered me quickly and then shoved his cock right up me in one vicious thrust.

I was literally dripping wet. He moaned appreciatively, grabbing my hips and pulling me back on to his rock hard shaft and thrusting violently into me.

This was no time or place for pleasantries, especially as there was no lock on the toilet door!

There was no way this could last more than a few minutes. I was surprised and impressed that he had lasted as long as he had.

But I could feel his breath quicken and I was desperate to get his thick ropy cum

My most exciting sexual experience was about a month ago when we had a small 21st birthday party for my best mate Jade.

Jade is a gorgeous fit as fuck blonde. My boyfriend Ricky invited three of his mates – Luke, Chris and Jason. I also invited my next-door neighbour Lucy.

We cranked up the music, cracked open the beers and proceeded to get rat-arsed.

After an hour or so we decided to spice things up by having a game of spin the bottle, but with a major twist.

Instead of kissing, the forfeit became sucking someone's cock or clit. We all decided it was a good idea and I nominated myself to go first.

I finished my extra large bottle of Bud – my favourite, if only because the bottle comes in handy after I've finished the contents. I spun the bottle and it landed on Lucy.

I told her to stand up and I walked over and casually unzipped her dress. It slithered to the floor, revealing a well tasty pair of firm tits and a sexy white thong.

I laid Lucy down and, sliding the thong down her luscious thighs with my teeth, burrowed my head into her glistening wet cunt. She started to thrust herself into my face.

After a couple of minutes I was naked apart from my shoes and we were locked in a juicy sixty-nine. Ricky's cock was well hard and about to burst out of his pants.

He grabbed Jade and started to snog her and rip off her clothes. She undid his jeans and pushed him onto his back to give him the

blow-job of his life.

By now my juices were flowing and my tits were aching as I saw Ricky shoot his load into Jade's mouth. Jason and Luke wanted in and came over to me.

I quickly got Luke's lovely manhood out and frantically sucked it while Lucy licked his balls. All of a sudden I felt a hand on my cunt and a cock sliding into my pussy.

It was Jason and his tool felt huge as he pounded deep into me. I then saw Chris go over to Ricky and Jade. He told Jade

to sit on Ricky's cock, which she did.

As Jade rode Ricky, Chris got his cock out.

He stuffed it into Jade's mouth, nearly choking her, and she started to suck him off and squeeze his heavy balls. He was moaning with pleasure as she slurped on his cock like a big ice-lolly.

Then he made her lean over Ricky and he fucked her up the arse while she rode his mate. She was thrashing around in ecstasy, which turned me on even more.

My pussy started pulsating and tightening around Jason's dick as I reached an almighty orgasm. Jason filled my hole full of hot spunk shortly after.

I then went over to Jade and started lapping up all the spunk and juices from her beautiful mound and arse.

Lucy, Ricky and Chris were fucking away next to Jade and me while Jason and Luke were wanking watching us.

deep in my throat. He gave me a few final thrusts, pulled out and spun me round.

He fired wad after wad of beautiful jism onto my tongue and the back of my throat. I was so horny I milked him dry.

We dressed quickly, composed ourselves and walked out like nothing had happened. Suffice to say, when we got home we fucked each other silly.

He told me I was so good that he would do my arse as a treat. Yummy!

Kerry, Essex.

I got Jade's nipple in between my teeth and started gently nibbling it. Lucy, who'd stopped fucking Ricky and Chris, gently eased two fingers into Jade's soaking cunt.

I eased myself down onto Chris' massive nine-inch pole while Lucy fingered Jade.

Ricky was quickly in position to ease his hard cock up my very tight arse. Believe me, I was screaming in total ecstasy as I came twice in succession.

Jason and Luke were now taking their turn fucking Lucy. When the blokes were all spunked out us girls had a good licking and fingering threesome.

After watching us going at each other, Jason couldn't contain himself and he introduced his cock to proceedings.

He stuck it straight up Lucy's arse while I licked her clit and finger-fucked her hole. We made her cum and again I was on hand to lap up the spillage.

At the end of the night we asked Jade if she'd enjoyed her birthday. Unsurprisingly she said it was her best one yet.

If any horny readers out there fancy a good fucking time please contact Ricky and me, especially couples!

Amy, Carlisle.

DRESS CODE

I was so turned on I couldn't wait for Warren to walk through the door, so instead I went downstairs to meet him.

He was shocked, but I could tell from the bulge in his trousers that he liked what he saw. I sat him on the stairs and put on a little show.

I posed in front of him, allowing him to get a good eyeful of my cunt and arse beneath my short skirt. I cocked one leg up and ran my fingers across my shaven pussy.

My boyfriend always asks me to dress up for him, but I've never understood why he gets so worked up about it.

I've always considered it a bit boring, but you have to give and take a little bit so I thought fuck it! I dug out my old school uniform and laughed to myself.

It seemed so pointless, but nevertheless

"I rode him like a true knob-jockey"

His eyes nearly popped out of his head, and that wasn't all. To end my little performance I released his fat throbbing cock and started to suck hard.

I love the taste of a big dick, especially when tiny drops of salty pre-cum escape and cluster

on his bell-end.

Next I straddled over him and inserted his cock into my dripping cunt. I closed my eyes and eased myself onto his shaft until only his balls were visible.

I slowly began to ride his cock. As I increased my pace he grabbed my arse and bucked me up and down.

Before long I was riding him like a true knob-jockey, my feet flat on the floor and my thighs pumping me up and down over his massive tool.

I fucked him like a bucking bronco until we both came. Now I regularly dress up for him and enjoy it as much as he does!

Rachel, Kent.

I put it on and to my surprise I felt incredibly sexy. I stared at myself in the mirror and started to feel so horny.

I cocked my leg up a bit to reveal my cunt. I could feel myself becoming wet and I couldn't help but give it a rub, so I went to work on my pussy with my fingers.

As I rubbed my clit more frantically, I wanted something to go in my hole. I had a quick look round and spotted my jumbo marker on the table.

I grabbed it and slowly inserted it into my pussy as I brought myself off. I began pumping it in and out and soon the air was thick with the sweet scent of cum.

READERS' LIVES

A PINT A DAY

My girlfriend Mandy is thirty-seven years old. This photo was taken in my office one weekend.

We often go into work and catch up on the paperwork when none of my staff are around. This gives her the chance to play the role of the sexy secretary.

The only problem is that as she is walking around the office, bending over the desk and flashing her bronzed thighs and firm butt, she is quite a distraction.

I don't seem to get much work done. But then I'm not complaining because I do get my plums sucked.

She has got great tits with long hard nipples, a lovely tight little pussy and gives

room at break times and after lessons.

She soon got a reputation among

the lads in her class for giving good head. She sucked a mean cock and she always swallowed the lot.

One of the lads' parents went away for the weekend and Mandy was invited. Of course she was – you'd have to invite the blow-job queen, wouldn't you?

Mandy wore a little black number to the party, along with the usual black stockings, suspenders and high heels.

The party kicked off and most people were getting pretty drunk. Mandy was being chatted up by some guy and before too long they were up in the bedroom.

After sucking the guy off and drinking down his cum, she took his cock in her

mouth again and slowly coaxed another hard-on out of him with her tongue.

Then she lay on the bed with her legs spread wide and he knelt in front of her and slid his cock inside her.

After they'd been screwing for a while she noticed that a couple of lads had entered the room. She did not seem to mind and carried on.

When the first guy had sprayed her with spunk a voice from the room asked when it was his turn. She told him his turn was next and began sucking his cock.

The third guy in the room didn't need an invitation to join them on the bed. As guy two began pumping her soaked pussy she took guy three in her mouth.

Well this carried on for hours, her getting fucked while she sucked. More blokes came in and stood by the bed, all waiting the turn she willingly allowed them.

Mandy can't actually remember just how many guys fucked her that night. She thinks it was somewhere between twelve and twenty, with some of them doing her

more than once.

She said she was covered in spunk by the end. She had it in on her face, tits, stomach and all down her stockings.

She can't remember how much she swallowed and how many guys she had let cum inside her. I reckon it must have been a good pint in all.

She tells me she was sore for two weeks afterwards but it was worth it and she enjoyed every minute, every

cock and every drop of sperm.

While Mandy told me this story I banged her like a man possessed – it got me so horny.

Then I added my two-penn'orth worth to the ocean of spunk she's eaten!

the best blow-jobs I have ever had.

During sex I like her to tell me stories about her past sexual exploits, in which she takes a great deal of pleasure in verbally reliving for me.

My favourite short stories are the ones about her college days. She was nineteen and looked quite shy and innocent in those days. How wrong could you be?

She always wore dresses or skirts, usually with stockings or hold-ups. She often gave lads blow-jobs in the common

HAPPY SWAPPER

Two years ago a friend of my husband's gradually broached the subject of swapping or sharing girlfriends.

My husband had always had a fantasy about this so the conversation soon turned to how and when.

I was very unsure and nervous at first but agreed at least to see how things went if we spent an evening together.

Fortunately my husband's friend, Jack, was a really easy-going and funny guy which put us all at ease when we arrived at his place after a long drive.

His girlfriend, Toni, made us a nice meal and we opened a bottle of wine. Afterwards we agreed to a game of strip poker.

We played the first few hands with no forfeits, but after that the loser had to remove an item of clothing. Within no time we were all throwing bits of kit off.

My husband was the first to lose all his clothes completely, followed closely by Jack. They'd played suspiciously badly, maybe to make it easier for me.

They were both sitting there completely naked with their cocks already a little harder than usual. I had only a skimpy G-string left and I was getting turned on.

Then Jack made the first move by suggesting that he and I take a bath together. I was ready to allow things to develop further so I agreed.

My husband and Toni agreed to wash our backs or whatever else we wanted! I nervously peeled off my panties and got into the bath with Jack.

After a few minutes splashing around our partners were completely forgotten as we eagerly washed each other.

I was fascinated by Jack's penis which was circumcised - something I'd never seen before. I loved soaping his cock as it grew harder.

He was having great fun soaping my small, hard breasts. He ran his slippery fingers over them, stopping to tweak my nipples with his thumb.

We quickly got out of the bath and all four of us went to the bedroom. Here my husband watched as I lay on the bed and allowed Jack to spread my legs.

He knelt over me and ran his tongue down the length of my body, pausing to take in each bullet-hard nipple on the way. I moaned as he reached my soaking pussy.

He began to lap at my sweet nectar

while my husband stood by and slowly pulled his cock. I closed my eyes as Jack teased my clit.

After about a minute of being licked out I came with a splash. I opened my eyes to see that Toni was now on her knees sucking my husband's cock.

Jack then got on top of me as my husband got his balls sucked by Toni. He guided his helmet to my pussy lips and slowly inserted his shaft into me.

He fucked me hard and fast for several minutes but because I was not on the pill I told him not to spurt in my pussy.

I then turned over and told him he could fuck my arse if he liked. He massaged my pussy juice into my arsehole with his thumb.

Then he slowly eased his thick cock into my tight arse until he was in almost as

deep as his balls.

He started to pump slowly and gradually sped up his thrusts. The hard ridge of his helmet sent me wild and I had a tremendous orgasm.

I felt his circumcised cock twitch and then a lovely hot gush of sperm spurted into my arse. As soon as Jack pulled out my husband took his place.

He wedged his cock into my stretched arsehole in one motion. After just a few hard strokes my husband mixed his spunk with Jack's deep in my arse.

Since that evening I have had a couple of other interesting experiences with other men. I love the idea of men wanking and spurting over my tits and pussy.

I would love to hear from any men who are turned on by my pictures.

Mimi, Essex.

SWING
ESCORT

Head 2 Head

ISABELLA & JOHN, SWINGERS

If you're a swinger in the London area you might be lucky enough to bump into this pair – just as long as Isabella hasn't forgotten her shoes!

John and Isabella are an attractive couple, both high-flying professionals, who have been together for six years and married since 2006. I first encountered them at one of the South London Swingers parties, and, finding them a warm, witty and open-minded pair, asked them nicely if they'd mind sharing their experiences and viewpoint with the rest of you. Luckily, my charm was working and they were happy to tell all.

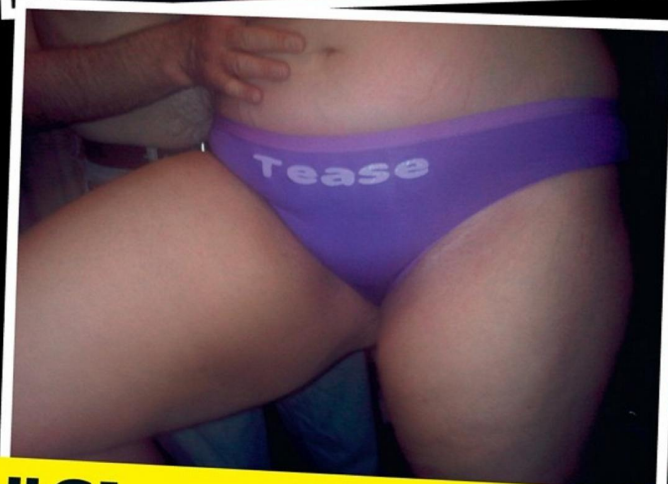

The couple have both been interested in alternative sexualities for a long time and John had dabbled in the fetish scene before they ever met. Isabella says she went to her first swinging party in Hong Kong, "while we were emailing. It was part

of our dialogue, before we actually met."

This sounds interesting, tell me more.

"I responded to a contact ad that had been placed by her best friend," John says. "We got on OK but.."

"She told me that she'd found the man I was going to marry," explains Isabella. This useful friend put the two of them in touch, they communicated by email for a while and then, when Isabella returned to

"She milked the lads of every drop they had"

the UK, John met her at the airport and they never looked back. They went to fetish clubs together for a

while but, Isabella explains, "the fetish scene was more about enjoyment than orgasms for me." John adds that good fetish clubs are hard to find, as well. "So we moved into the swinging scene as a couple, really."

What makes a good swingers club, in

your humble opinion?

"It's not so much the facilities," John says. "You can have brilliant facilities, but if the people are cliquey then you won't have a good night. It's got to be about the people, really."

"Some clubs are friendly but a bit couply," says Isabella. "There's one we go to with amazing facilities but we always end up just playing with each other."

They are both advocates of finding a club that suits you and going there regularly. "It's nice when you see familiar faces, we like playing with people we've built up a friendship with," Isabella explains. They also find that in a favourite club, they feel entirely safe. "We can just go and have fun and only check in with each other in between, but I know that in our favourite club there are always other people who can keep an eye on Isabella, people who are looking out for her," says John. They have something of a preference for the smaller, more intimate clubs as "the larger the venue, the longer it seems to take for the playing to start," ac-

you met Isabella?" the promoter asked, before introducing them.

"She took the pair of them upstairs and milked them of every drop," John tells me, proudly.

I almost hate to ask if they've had any negative experiences, but these do appear to have been few and far between. "We were in a club once and they were showing the rugby on the telly," John says. "We lost, and the whole atmosphere just crashed."

"And he'd

cording to John.

However, he does remember a particularly good night at another, moderately large club they sometimes attend. "There were a lot of single guys there, and Isabella was very popular."

She laughs, reminiscing. "There were these three young builders, I think they were new to it, but they were very fit and I got well rogered." On another occasion in their favourite hangout, two men who had come unaccompanied were telling the club promoter towards the end of the night that they hadn't had any luck. "Have

forgotten my shoes," complains Isabella. "To not have shoes to finish off the outfit makes it difficult to get into the right headspace. To go swinging without heels is a disaster!"

What hints and tips would you offer to people who are tempted by the idea of visiting a club but have yet to take the plunge?

"If you're going as a couple, make sure you are both really committed to it, and it's not coming more from one side than from the other," says John.

"Go with an open mind," says Isabella.

"If you go with an open-minded generous attitude you can find yourself having a great deal more fun than if you are thinking about all the things you don't want to do. Some people can give you a great time, it's not all about looks."

Some people, of course, do need to pay a little more attention to their own manners when it comes to swinging – Isabella was not entirely thrilled by one man who was "obsessed with arses. Within seconds it was, whoa, his finger was right up my arse. I said, oi, you need to ask a girl! I do like a bit of foreplay, you know!"

John agrees and suggests another useful habit for men to get into – pacing yourself. "I'd been shagging and had just cum, so I was a bit, you know. And this girl was playing with me and it wasn't working, and she kept saying 'Why is he so weak?' which didn't help." This brings to my mind a phrase from that wonderful book *The Ethical Slut*: 'the tyranny of hydraulics' – the fact that most men do need a rest between times, so we ladies need to either pace ourselves too or take advantage of the fact that there are spare men around when we are ready for another go.

Isabella and John are clearly very happy together and equally inclined to share that happiness around. I certainly hope to run into the pair of them again on my amorous travels, and if you're lucky, you might do as well!

PARLOUR GAMES!

Where there's muck there's brass. Recession or not, George McCoy discovers Manchester is still rich in parlours...

Manchester 2

Over the past few weeks, I have been finalising my new comprehensive guidebook to adult services throughout Lancashire and Yorkshire and adjoining areas and so I have been travelling around the north and in particular I have spent a lot of time in and around Manchester, an area I have covered in several articles already.

One area has remained uncovered – the centre of the city and if there is one

thing one can be sure of in Manchester, it is that there are always, even in these recession-hit times, new parlours opening. Recently I have spent a fair bit of time in the city and I started off one day at one of my favourite parlours.

This is **Salon 24**, a parlour with (so far as parlours are concerned) a well-equipped dungeon.

My old friend Barbara who runs the place was there and she greeted me at the door in as friendly a manner as I could have expected. Recently they have been reasonably busy and it is clear that the

recession has not yet bitten them and so she was feeling pretty upbeat. For my next call in the city centre, I visited the first of two new parlours that had opened within the past year.

Bentleys is located in a small side street in the heart of the city. On entry I was greeted by the receptionist who had met me before at a now closed parlour in St. Helens, which had been run by a couple whom I got on famously with. So famously they helped me out with some filming for a documentary for the satellite channel Men and Motors.

And surprise, surprise, it is they who run this new parlour in Manchester city centre. Although I had met none of the ladies there before, one recognised me

from the BBC 1 documentary I was in – "Street of Vice" that went out in 2006.

The lady in the partnership only pops in occasionally, since she also runs another business, but the man calls in regularly, so I hope to see him in the not too distant future. For a city centre parlour it is

of their ladies. Coincidentally I had had a letter from a longstanding purchaser of my books suggesting that I revisit this parlour and in particular check out one of their ladies, a slim Eastern European lady by the name of Natasha. She only works there on Mondays, so I thought I would

time and I told him I looked forward to enjoying that in due course. His delightful Thai wife turned up just before I left – Jamie is obviously a man who knows what he wants in life.

My next call was on the city's newest parlour, **Ruby Milans**. The receptionist here is an old acquaintance of mine, Diane, who used to be the receptionist at Charlotte's in Didsbury, before it changed hands and names. They have only been open a matter of a month or so, but have already got some ladies with proven track records working there, most notably Tegan, formerly of both Hayley's and Sandy's and Brooke, an ex-World Famous Babe. Diane pointed out a very interesting and unusual feature of the parlour, i.e. that it has an intercom system between the massage rooms

both luxurious and spacious and the girls look pretty good too.

I now headed off to another new parlour, **Pussycats**, which is located in one of the more upmarket corners of the city, Withington Village. Again I was recognised by the receptionist, who had seen me before a few years ago at two of the city's other parlours, at both of which she had also worked as a receptionist. Like Bentley's this is a very tastefully decorated establishment.

It had been suggested to me by the proprietor of **Shangri-La**, a long standing parlour located not too far from Manchester City's new ground, that I visit them and enjoy a session with one

now check her out. She is magnificent, taking her time to give me as slow yet steady a build up within the session as one could imagine and she has to be experienced to be properly appreciated. I left suitably refreshed.

The next day I headed back to Manchester to see **Northern Babes**, an escort agency that provides incall facilities at a modern flat on the east side of the city. I was welcomed into their flat, a modern one not far from Sport City, by their supremo, Jamie.

We had a friendly chat and he suggested a couple of his ladies whom he thought could show me a particularly good

and the reception area, so a lady can call down for anything from a cup of tea to a second lady to come up and join in the fun. Now I have never come across that anywhere else before.

I now headed back into the city centre and called again on **Salon 24**. Here at least I was able to persuade two of the ladies to pose for a photo and I then headed on to **Cloud Nine**, where I had less luck. My next call in the city centre was on Piccadilly, where I persuaded an attractive blonde called Melissa to pose.

She was also keen to show me how well she could perform, though with a session due in Beswick later that day, I had to suggest I take a rain-check.

I then had similar luck at two longstanding parlours located near Manchester's Chinatown.

Cosmopolitan has always had a good reputation and had some great looking ladies there when I visited it, while **Tropical Palms** specialises in Eastern ladies, with whom I always find that,

"Ex-lap dancer performed for Simon Cowell"

rather delightfully, one gets little idea of their age from their appearance.

It was now gone three and I was due at Northern Babes flat on the Ashton Old Rd at 3.15, so I headed off to the flat, only to find they were going to be another half hour or so. I polished off some sudoku and then the call came.

I was wondering if I should have enjoyed a session with Melissa, since the Northern Babes are by the main pretty young, mainly in their teens or early twenties and my experience of ladies of that age has not always been that great.

Young ladies look good, but do not necessarily have the experience to know just what to do to maximise the enjoyment of their clients' experience.

However it turned out the first two choices of the boss were both unavailable and instead of a teenager, I found myself being entertained by a lady in her early thirties called Sophie. She was a lap dancing graduate of Stringfellows, with the body to match such credentials and had even performed for Tom Jones and Simon Cowell on different occasions there. (Ed's note: At Stringfellows, not Northern Babes!)

I should not have worried. She was simply superb, giving me the best hour's entertainment that I have had in some considerable time and when I left at 4.30 I was still reeling from the experience.

On my last day in the city, I tried

write ups over the years.

When I met her at Ruby Milans, I felt sure I had met her before, but on discussing this with her in the room, she assured me we had not met previously and then it dawned on me, she is the spitting image of Sigourney Weaver.

She then treated me to a very enjoyable session, where she pulled out all the stops to give me as satisfying a time as I could imagine. I was reminded of the film Half Moon Street, where Sigourney stars as a research professor who works on the side as an escort, a bit like the real Belle de Jour, and who gets involved with Michael Caine.

Never did I think I would ever find myself feeling as though I was Michael Caine, but then again the work I do has so many unusual aspects, I suppose I should not have been surprised.

Bentleys in the hope of taking some new photos of Melissa, who had just moved there from Piccadilly and who is now calling herself Jamie Lee, but she was busy being photographed for their website when I arrived and after waiting in my car for half an hour or so, found she was then in with a client for another hour, so I decided to cut my losses and head home, but then I remembered I had arranged to call in and be entertained by Tegan at Ruby Milans. She is a lass with a first class track record, having worked first at Kellie's in Walkden, and then at both Hayley's and Sandy's and has had some great
